The Fellowship of the Mat
Mark 1:1-12

- I. Everyone has a mat.
 - A. We struggle with our independence.
 - B. We struggle with our brokenness and our imperfections and we don't want to admit them.
 - II. Everyone needs roof crashers.
 - A. Friends serve each other
 - B. Friends NOTICE and DO
 - III. Everyone needs to be forgiven
- Jesus teaches that it is impossible to understand and desire to live in the stream of God's forgiveness and NOT want that for our friends too.
